POLICIES

We are so glad you booked a service with us. We can't wait to see you. Reading through our policies will help us to serve you better. We request that our guests arrive a little early for their scheduled appointment. When they do, we'll have beverages and the latest OYESPARK magazine waiting. Our retail area of Aveda and select premium skincare and wellness products is also available for browsing and shopping.

REFUNDS:

Because of our thorough consultation process, we do not offer refunds for services. However, we stand behind the quality of our work and your satisfaction is important to us. If you have any concerns following your visit, we invite you to contact us within 5 days so we can review the outcome. We will be happy to make reasonable adjustments or schedule a complimentary revision, where appropriate, and within the limits of what is safely and professionally possible. Please note that this courtesy does not apply in cases where a change of mind or a new service request is made after the original visit. We appreciate your understanding and cooperation.

LATE/CANCELLATIONS:

We understand that things can come up unexpectedly. That's why we offer a 15-minute grace period for all appointments. If you are running late, please contact us so we can notify your provider and accommodate you the best we can. Please note: Oyespa requires a \$50 deposit for all new client bookings over \$150 and a 50% deposit for all luxury or medspa services (including injectables, advanced skin treatments, laser services, spa packages, hair or lash extensions, bridal parties, etc.). To cancel or reschedule, we kindly request at least 24 hours' notice. For spa packages, bridal parties, hair extensions, and medspa services, we require a 48-hour cancellation. Deposits will be credited to your store account if cancellations are made within the required window. Deposits will be applied to your service total at checkout.

CONSULTATIONS:

All services begin with a detailed consultation—an essential part of your experience. We take the time to understand your goals, expectations, and any medical history that may impact treatment outcomes. For medspa services, a Good Faith Exam (GFE) is required by law before any treatment can be performed. This brief medical evaluation is conducted by a licensed healthcare provider via a secure third-party telemedicine platform and can conveniently be completed from the comfort of your home. The GFE ensures your safety and confirms that your chosen treatment is medically appropriate. This step is mandatory for all medspa services and must be completed prior to your appointment. We'll provide easy instructions for accessing the platform and completing your evaluation. During your consultation, we encourage open communication—please share any medical conditions, allergies, or concerns. Pricing, timing, and treatment expectations will be discussed in advance. Some services, particularly corrective or advanced procedures, may require multiple sessions to achieve optimal results.

EXCHANGES:

Unopened Aveda or skincare products purchased at Oyespa may be exchanged for another item of equal or lesser value. Promotional pricing does not apply to exchanges.

GUEST SAFETY:

To ensure a safe and comfortable environment, only guests receiving services are allowed in treatment areas. Others may wait in the reception or café area. Children are not permitted in medspa, spa, or nail rooms and must be supervised at all times. During extended hours, only the scheduled guest may enter the facility.

CELL PHONES AND DEVICES:

We kindly ask that all devices be silenced or turned off to preserve the tranquil experience we aim to provide. Two-way communication devices should be set to 'Off' mode.

A 20% gratuity is automatically added to your ticket for your convenience and may be adjusted upon request at checkout. Gratuities may not be handed directly to providers. Your final ticket will list all applicable charges and tips—please retain it as your proof of purchase.

All pricing is subject to change following a professional consultation. Menu prices reflect starting points only. Final pricing may vary based on provider credentials, licensing, and experience. All guests must complete our digital waiver at oyespa.com before arriving for their service.
