POLICIES

We are so glad you booked a service with us. We can't wait to see you. Reading through our policies will help us serve you better. We request that our guests arrive a little early for their scheduled appointment. When they do, we'll have beverages waiting for you. Our retail area of Aveda and select premium skincare and wellness products is also available for browsing and shopping.

REFUNDS:

Because of our thorough consultation process, service fees are non-refundable. We stand behind the quality of our work, and your satisfaction is important to us. If you have any concerns following your visit, please contact us within 5 days so we can review the outcome. Where appropriate, we may make reasonable adjustments or provide a complimentary revision, within the limits of what is safely and professionally possible. This courtesy does not apply to changes of mind or requests for new services after the original visit. All retail sales are final; exchanges are not offered. We appreciate your understanding and cooperation.

LATE/CANCELLATIONS:

We understand that things can come up unexpectedly. That's why we offer a 15-minute grace period for all appointments. If you are running late, please contact us so we can notify your provider and accommodate you as best we can. OYESPA requires a \$50 deposit for all new client bookings over \$150 and a 50% deposit for all luxury or medspa services, including injectables, advanced skin treatments, laser services, spa packages, hair or lash extensions, bridal parties, and similar services. To cancel or reschedule, we kindly request at least 24 hours' notice. For spa packages, bridal parties, hair extensions, and medspa services, we require 48 hours' notice. Deposits will be credited to your store account when cancellations are made within the required window and applied to your service total at checkout.

CONSULTATIONS:

All services begin with a detailed consultation—an essential part of your experience. We take the time to understand your goals, expectations, and any medical history that may impact treatment outcomes. For medspa services, a Good Faith Exam (GFE) is required by law before treatment can be performed. This brief medical evaluation is conducted by a licensed healthcare provider through a secure third-party telemedicine platform and can conveniently be completed from home. The GFE helps ensure your safety and confirms that your chosen treatment is medically appropriate. This step is mandatory for all medspa services and must be completed before your appointment. We'll provide easy instructions for accessing the platform and completing your evaluation. During your consultation, we encourage open communication—please share any medical conditions, allergies, or concerns. Pricing, timing, and treatment expectations will be discussed in advance. Some services, particularly corrective or advanced procedures, may require multiple sessions to achieve optimal results.

GUEST SAFETY:

To ensure a safe and comfortable environment, only guests receiving services are allowed in treatment areas. Others may wait in the reception or café area. Children are not permitted in medspa, spa, or nail rooms and must be supervised at all times. During extended hours, only the scheduled guest may enter the facility.

CELL PHONES AND DEVICES:

We kindly ask that all devices be silenced or turned off to preserve the tranquil experience we aim to provide. Two-way communication devices should be set to "Off" mode.

MISCELLANEOUS AND PAYMENTS:

OYESPA is not responsible for lost or stolen items. Accepted payment types include cash, debit cards (no fee), and credit cards (3% processing fee). Checks are not accepted. If you plan to pay with Cherry, CareCredit, Aveda Rewards/Certificates, or Gift Cards, please inform us at the time of booking or at check-in. Promotional offers cannot be used in combination with these payment methods. To maintain a safe and secure transaction process, we do not accept payments through peer-to-peer platforms such as Zelle, Venmo, Cash App, PayPal, Apple Cash, or similar wallet-to-wallet transfers. Apple Pay and Google Pay are accepted when connected to a supported credit or debit card. For your protection, you may be required to present a valid government-issued photo ID, such as a driver's license, to verify the payment card used or when redeeming pre-paid series, packages, membership benefits, or promotional offers. We kindly ask that you be courteous to our team members—they are following procedures designed to protect your information and ensure the best possible experience during your visit. Failure to comply with our payment policy may result in refusal of scheduled or future services. Your cooperation is sincerely appreciated. Your name, phone number, email, address, birth date, and a credit card are required to hold your booking. Sales Tax, MN Care Tax, Green Circle Fee, Physician Fee, or Good Faith Exam Fee may apply to your service. Gratuity is optional and may be added at checkout or given directly to your provider. Your final ticket will list all applicable charges and any gratuity selected—please retain it as your proof of purchase. All pricing is subject to change following a professional consultation. Menu prices reflect starting points only. Final pricing may vary based on provider credentials, licensing, and experience. All guests must complete our digital waiver at oyespa.com before arriving for their service. We truly value your experience and warmly welcome your feedback. For concerns, comments, suggestions, questions, or feedback, please email us at concierge@oyespa.com. If you wish to discuss a concern directly with a member of our management team, you may also request a dedicated appointment through that email. After each visit, you'll receive a brief survey—your candid responses help us continue to improve and deliver the best possible care. Thank you for sharing your voice with us.
